

THE STATE OF NEW HAMPSHIRE
NUCLEAR DECOMMISSIONING FINANCING COMMITTEE
DOCKET NO. NDFC 2008-1

ORDER NO. 2

1 On February 12, 2009, counsel for FPLE Seabrook LLC, acting as
2 Managing Agent for Seabrook Station, advised the NDFC that certain payments
3 received by the Trustee were deposited in the Funding Assurance Escrow
4 (“Escrow”), when the owners had intended those monies to be deposited in the
5 Decommissioning Trust (“Trust”). Further, the Managing Agent requested that
6 the monies be released from the Escrow and transferred to the Trust. Exhibit 27.
7 The contributions at issue were made by the Massachusetts Municipal Wholesale
8 Electric Company (“MMWEC”), Taunton Municipal Lighting Plant and Hudson
9 Light and Power Department. The request of the Managing Agent is supported by
10 a submission from the Trustee, Mellon Trust of Delaware, National Association,
11 identifying the deposits from each owner. Exhibit 26. The deposits were
12 intended to be the January and February 2009 contributions by the three owners.

13 Pursuant to the Second Amended and Restated Escrow Agreement dated
14 as of December 22, 2006, among FPL Energy Seabrook, LLC, Massachusetts
15 Municipal Wholesale Electric Company, Taunton Municipal Lighting Plant
16 (“Taunton”) and Hudson Light and Power Department (“Hudson”), the NDFC
17 and the State Treasurer, monies deposited in the Escrow may only be withdrawn
18 at the direction and when authorized by the Nuclear Decommissioning Financing
19 Committee (“NDFC”). Escrow Section 2(a), at 5. The Escrow established the
20 New Hampshire State Treasurer as the Escrow Agent. Escrow at 1.

21 The NDFC accepts that the monies were misdirected, but at all times were
22 held in secure accounts. Accordingly, the Nuclear Decommissioning Financing
23 Committee directs that the amount identified in the accompanying Release
24 Certificate for MMWEC be transferred from the Escrow to the Trust.
