The Nuclear Decommissioning Financing Committee (NDFC or the Committee) will hold a public meeting on April 14, 2008 at 12:30 pm in the offices of the Public Utilities Commission located at 21 S. Fruit St. in Concord, New Hampshire.

The Committee voted to adopt initial proposed organizational and procedural rules at a public meeting on September 24, 2007. A hearing to take public comments on the proposed rules was held on January 7, 2008. The initial proposed rules were reviewed by staff for the Joint Legislative Committee on Administrative Rules (JLCAR) and on March 3, 2008 the NDFC voted to approve the Final Proposal for both Dec 100, the NDFC Organizational Rules, and Dec 200, the NDFC Procedural Rules.

On March 21, 2008, JLCAR approved the Final Proposal of the Organizational Rules, Chapter Dec 100, and on April 4, 2008, it approved the Final Proposal of the Procedural Rules, Dec Chapter 200.

The purpose of the April 14 public meeting is for the NDFC to vote whether to adopt the Organizational and Procedural Rules and to address any new business.

A copy of the revised rules that will be subject to a vote to adopt at the April 14 public meeting will be posted on the Committee's website at www.puc.nh.gov in advance of the public meeting.
