1. Approval of the July 16, 2018 Commission Meeting Minutes

Chairman Honigberg made a correction to item #1 of the agenda for the Commission meeting to reflect July 16, 2018 instead of June 21, 2018 as the date of the last meeting. 2. Rulemaking, Puc 3000, Competitive Natural Gas Supplier and Aggregator Rules
Commission to Adopt Initial Proposal

Attorney Wiesner explained that these rules begin a new rulemaking, because the rules are due to expire on September 25th. The Commission needs to readopt the rules which include amendments to make the rules consistent in relevant areas with the competitive electric supplier rules that were adopted last year. There are a number changes which are intended to reconcile the rules with the supplier rules in the electric industry.

He further explained that this begins the process and once adopted, the initial proposal will be filed with the Legislative Budget Assistant (LBA) for fiscal impact statement, then with the Office of Legislative Services (OLS). A public hearing will then be held with stakeholder's feedback.

Chairman Honigberg explained that a motion is required to adopt the initial proposal. Commissioner Bailey made the motion to adopt the initial proposal, Commissioner Giaimo seconded the motion, and the motion carried unanimously.
