Re: DT 06-067, Freedom Ring Communications d/b/a BayRing Communications  
Complaint Against Verizon New Hampshire Regarding Access Charges  
Extension of Time

To the Parties:

On January 23, 2009, One Communications filed in the above referenced proceeding a request to extend the time until January 28, 2009 to exchange calculations with Verizon of One Communications' claim for reparations, and provide the same to Staff. One Communications represents in its request that this short extension will enable One Communications to "compile a more complete and accurate calculation." One Communications further represents that Verizon and Staff do not object to this request and One Communications has informed the other parties to this proceeding.

The Commission has determined that extending the time for One Communications to file its calculations will not unduly delay the proceeding or adversely affect the rights of any party. Accordingly, One Communications' request is granted.

Sincerely,

A handwritten signature in blue ink, appearing to read "Debra A. Howland", is written over a horizontal line.
