Re: Docket #DE 07-122  
In Re: PSNH Petition for Clarification and Interpretation of  
Commission Orders Regarding Hemphill Power and Light Company

Dear Ms. Howland:

Please find enclosed seven copies each of a motion to intervene and a motion to continue. Also enclosed is a CD containing this letter and the two motions in Word format. A copy of this letter and the motions have been served via e-mail or U.S. Mail on each person identified on the Commission's service list for this docket.

Please note that the motion to continue refers to a prehearing conference and technical session currently scheduled for Thursday, December 27. We would therefore be grateful if this motion could be ruled on as soon as possible.

Very truly yours,
