DOMESTIC SERVICE RATE D

AVAILABILITY

Retail Delivery Service under this rate is available for all domestic purposes in an individual private dwelling or an individual apartment and for farm purposes. If electricity is delivered through more than one meter, the charge for electricity delivered through each meter shall be computed separately under this rate.

CHARACTER OF SERVICE

Service supplied under this rate will be single phase, 60 cycle, alternating current, normally three-wire service at a nominal voltage of 120/240 volts or three-wire 120/208 volts, whichever is available at the location.

RATE PER MONTH

The rate per month will be the sum of the applicable Customer and Energy Charges subject to the adjustments in this tariff:

Rates for Retail Delivery Service

Customer Charge

\$4.28 per month

Distribution Energy Charges

Regular Use

1.611 cents per kilowatt-hour for the first 250 kilowatt-hours  
4.195 cents per kilowatt-hour for the excess of 250 kilowatt-hours

For customers who received service under the off-peak provisions of the Domestic Service Rate D prior to April 1, 1991, the following rates shall apply:

Off-Peak Use: 16 Hour Control

For all electricity separately metered and delivered during off-peak hours, the price of such electricity shall be:

1.541 cents per kilowatt-hour if a Customer has installed an electric water heater of a type approved by the Company, and electricity delivered to such water heater is supplied only under this rate.

Off-peak hours shall be the hours between:

January 1 – March 8 11:00 p.m. and 7:00 a.m. on the next day  
March 9 – April 5 12:00 a.m. and 8:00 a.m. \*  
April 6 – October 25 11:00 p.m. and 7:00 a.m. on the next day  
October 26 – November 1 10:00 p.m. and 6:00 a.m. on the next day\*  
November 2 – December 31 11:00 p.m. and 7:00 a.m. on the next day

\*The off-peak hours defined above are applicable during 2008 and reflect the difference between when the customer's meter records off-peak kWh consistent with the pre-2007 Daylight Savings Time schedule and the revised Daylight Savings Time schedule mandated by the federal Energy Policy Act of 2005.
