**RE: Petition to Extend Sewer Service in Town of Greenland Order No.: 24,865  
Docket #: DW-08-036**

Dear Ms. Howland,

Pursuant to Order No.: 24,865 issued June 20, 2008 the City of Portsmouth encloses a copy of the fully executed sewer agreement between the City of Portsmouth and PDNED Greenland LLC. This final agreement is substantially similar to the previously submitted draft. Changes were principally related to clarification of security for PDNED Greenland LLC's obligations and a description of the sewer route selected by PDNED Greenland LLC (two options were being considered at the time of the original filing with the PUC and the issuance of Order No.: 24,865). There were no changes to the proposed rate structure.

If there are any questions please do not hesitate to contact me.

Sincerely,

Suzanne M. Woodland  
Assistant City Attorney
