I have attached an internet e-mail from our PUC account regarding Docket No. DW 08-070, Lakes Region Water Company. Can one of you please respond back to Rep. Heard?

Thanks,  
Kim

As the State Representative from Carroll County District 3 - which includes the towns of Sandwich, Ossipee, Freedom and Tamworth, I am very concerned about the Lakes Region Water company that supplies water services to these communities. We have recorded instances of malfeasance on the part of the company regarding the water supply in Tamworth, and complaints from the other communities. The company is now requesting a rate hike, without fulfilling obligations previously ordered by the PUC. Would you please contact me with an explanation? My e-mail address is [vlheard@worldpath.net](mailto:vlheard@worldpath.net). Thank you.

Virginia Heard, State Representative  
Carroll County District 3
