RE: DE 08-077; Public Service Company of New Hampshire  
Power Purchase Agreement With Lempster Wind, LLC

Dear Ms. Howland:

I am writing on behalf of Constellation NewEnergy, Inc. and Constellation Commodities Energy Group, Inc. (collectively "Constellation") to notify the Commission that Constellation has decided to withdraw from Docket DE 08-077. In recent weeks, Constellation has made a number of internal personnel changes to adjust to events in the energy and financial markets and realign its organizational structure. As part of that effort, Constellation has had to make difficult decisions regarding the regulatory matters in which it is participating in various jurisdictions. Constellation intends to remain active in the New Hampshire electric market, but has decided not to continue to participate in this proceeding. To the extent that Constellation requires the Commission's approval to withdraw, it hereby requests such approval.

Under separate cover, Constellation will be submitting a Motion for Protective Order and Confidential Treatment relating to certain responses to data requests that Constellation previously provided. Notwithstanding its withdrawal from this proceeding, Constellation requests a ruling on that motion in order to protect its proprietary interest in the data it previously submitted.

Sincerely,

Steven V. Camerino
