Re: DW 08-088 Hampstead Area Water Company
Petition for Authority to Borrow Long Term Debt, to Construct Water System
Interconnection, to Extend Franchise Area, and for Step Rate Increase

Dear Ms. Howland:

Please find enclosed an original and seven copies of revised schedules to Hampstead Area Water Company's ("HAWC" or "Company") filing in DW 08-088. The revisions to the schedules are due to the inclusion of an interconnection grant. The grant program reimburses 25% of eligible costs for public water system interconnection projects. See enclosed copy of NHDES letter dated December 26, 2007 re: Interconnection Grant. The interconnection grant does not reduce the amount of financing that HAWC is requesting. However, it does reduce the revenue requirement and the related rates.
