Re: DM 08-169 Public Power & Utility, Inc.  
Application for Registration as a Competitive Electric Power Supplier  
Letter to close docket

Dear Mr. Islami:

On December 31, 2008, the Commission received an application from Public Power & Utility, Inc. (PP&U) for registration as a competitive electric power supplier. On January 13, 2009 Staff issued a deficiency letter enumerating nine items which needed to be addressed. Despite an email and telephone conversations over the subsequent months reminding PP&U that the items in that letter had not yet been addressed, the Commission has received no further information.

Based on the foregoing, the Commission has closed this docket without prejudice.

Sincerely,

A handwritten signature in cursive script, reading "Debra A. Howland".
