Dear Ms. Howland:

I have enclosed seven copies of Granite State Electric Company's d/b/a National Grid ("National Grid" or "Company") proposed Default Service rates for the period November 1, 2009 through January 31, 2010 for the Large Customer Group and for the period November 1, 2009 through April 30, 2010 for the Small Customer Group. National Grid circulated the RFP to over twenty-five potential wholesale suppliers, every member of the NEPOOL Markets Committee and posted the RFP on the Company's energy supply website. National Grid employed a procurement process consistent with those previously approved by the Commission on several occasions.<sup>1</sup>

National Grid believes the proposed Default Service rates are consistent with RSA 374-F:3, V(c), Commission precedent, and are in the public interest as reflective of "competitive market" prices. See RSA 374-F:3, V(c). Accordingly, the Company respectfully requests that the
