Re: Docket No. DE 09-035, Delivery Service Rate Proceedings  
Semi-annual Report to the Public Utilities Commission Detailing PSNH's Distribution Geographic  
Information System

Dear Ms. Howland:

On June 28, 2010 the Commission issued Order No. 25,123 in Docket No. DE 09-035 captioned Order Approving Settlement Agreement on Permanent Rates. Article 6.4 of the Settlement Agreement approved by the Commission in that docket required that "On a semi-annual calendar year basis commencing on July 1, 2011, PSNH will provide a progress report to the Settling Parties detailing project milestones and achievements for the prior 6-month project period. Additionally, the semi-annual reports shall include key project dates for the remainder of the project, comparison of capital and O&M expenditures to planned REP II budget amounts and a detailed definition of tasks for the upcoming 6-month and 12-month periods." PSNH hereby files the requisite semi-annual report as required by the Settlement Agreement covering the January to June 2013 reporting period. Given the project completion date of December 2013, PSNH does not anticipate filing any additional semi-annual updates for the GIS project.

Very truly yours,

Allen M. Desbiens  
Senior Analyst
