Re: DM 09-040 Notification of Axsess Energy Group, LLC's Intent to Provide Electric Aggregation Service

Dear Mr. Aguiar:

This is to confirm that the New Hampshire Public Utilities Commission (Commission) has received Axsess Energy Group, LLC's (Axsess) notice of intent to renew its registration as a provider of electric aggregation service in New Hampshire pursuant to Puc 2003.02. Staff has reviewed the application provided and believes that it meets the requirements of Puc 2003.02. Based on Staff's recommendation and the Commission's review, the Commission approves Axsess' application to renew its registration as a provider of electric aggregation service in New Hampshire pursuant to Puc 2003.02.

Please note the following provision of Puc 2003.02 (f): "[E]ach aggregator shall re-file with the commission an up-to-date written notice of intent to provide service as an aggregator every 2 years on or before its original notice anniversary date." Axsess' original notice anniversary date is March 11, 2005 and therefore it is required to re-file an up-to-date written notice on or before **March 11, 2011** if it continues to offer and provide electric aggregation service. In addition, Axsess is subject to the provisions of Puc 2004.03, telephone solicitation of customers, and Puc 2004.07, customer protections provided by aggregators.

If you have any questions regarding these provisions, please contact the Commission. Thank you for your cooperation in this matter.

Very truly yours,
