Dear Ms. Howland:

Re: Docket No. DT 09-044 New Hampshire Telephone Association
Petition for an Investigation into the Regulatory Status of IP Enabled Voice
Telecommunications Services
Petition to Intervene of Otel Telekom, Inc.

By this letter Otel Telekom, Inc. petitions to intervene in the above-named docket.

Otel Telekom has a substantial interest in this proceeding since it is a public utility providing competitive local exchange service in New Hampshire. Therefore, Otel Telekom's rights, duties, privileges and other substantial interests could be affected by a Commission determination concerning, among other things, whether IP Enabled Voice Telecommunications Services are or not utility service, and to what extent and under which regime such services are or not subject to inter-carrier compensation.

Respectfully yours,
