Re: DT 09-044, New Hampshire Telephone Association
Petition for Investigation into the Regulatory Status of IP Enabled Voice
Telecommunications Service
Extension of Time

To the Parties:

On September 18, 2009, TWC Digital Phone, LLC, Comcast Phone of New Hampshire, LLC, and the New Hampshire Telephone Association (the parties) filed a joint request to extend the time to file a Stipulation of Facts as indicated in the Commission's secretarial letter dated July 2, 2009. The parties request additional time to work on the stipulation and ask that the deadline be extended by one week.

The Commission has determined that extending the deadline in which to file the Stipulation of Facts will not unduly delay the proceeding or adversely affect the rights of any party. Accordingly, the deadline for filing the Stipulation in this matter is extended to close of business on September 25, 2009.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".
