Re: DE 09-054 – Residential Renewable Energy Generation Incentive Program  
Comments from Nexamp

Dear Ms. Howland:

On May 13, 2009, Nexamp submitted comments to Staff regarding the revised draft application form for the Residential Renewable Energy Generation Incentive Program. It was the intent of Nexamp that these comments would be shared with the Commission and formally filed in the above-captioned docket to be included as part of the record.

These comments were inadvertently not filed with the Commission when they were submitted and are being filed today. Please let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Suzanne Amidon".
