Re: Buckley Energy Group, dba Santa Buckley Energy – Name Change

Dear Sir or Madame:

Attached is a copy of the documentation confirming our official name change from that listed in the subject line and in our listing with your agency, to our new name of Santa Buckley Energy, Inc. This is only a change of name, to eliminate confusion and bring our entire commercial-industrial division under one umbrella. All Federal and State ID numbers remain the same.

Please take note of this change and contact me if you need any additional information, or with any questions or concerns you may have.

Sincerely,

A handwritten signature in black ink that reads "Timothy Costello".

Timothy Costello
Vice President, Integrated Energy Division
