**RE: DT 09-113**

Dear Executive Director Howland:

This letter is to request permission to file a reply comment in response to the Objection to Motions to Dismiss filed by FairPoint on October 1, 2009. Counsel for BayRing and other CLECs have a significant filing due in Maine this week and therefore requests an additional period in order to file a reply comment.

Counsel has discussed this request with counsel for FairPoint and can represent that FairPoint consents to allowing CLECs the opportunity to file a reply comment on or before October 14, 2009

Please let me know if you have any questions. Thank you.

Respectfully submitted,

Alan M. Shoer
