Re: DW 09-184, Lakes Region Water Company, Inc.  
Notice of Intent to File Rate Schedules  
Docket Closure

Dear Mr. St. Cyr:

On February 17, 2010, Staff filed a memo regarding the Lakes Region Water Company, Inc.'s (Lakes Region) February 4, 2010 rate case filing noting a number of deficiencies in the filing and recommending that it be rejected. On February 22, 2010, you filed a letter in response to Staff's recommendation stating that Lakes Region would refile its schedules, testimony and other rate filing requirements with an updated test year of 2009. Having received no further filings from the company since that time, the Commission has determined that it will close Docket No. DW 09-184 without prejudice.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
