RE: DT 09-206 Petition of Freedom Ring Communications LLC d/b/a BayRing Communications and segTEL, Inc. to Establish a Simplified Performance Assurance Plan for Northern New England Telephone Operations LLC d/b/a FairPoint Communications

Dear Ms. Howland:

Enclosed for filing in the above-named proceeding are an original and seven (7) copies of a Petition to Supplement and Modify the Initial Filing of Freedom Ring Communications LLC, d/b/a BayRing Communications and segTEL, Inc. The companies are supplementing and modifying the filing rather than withdrawing it because we wish to preserve an historical record of our request that FairPoint be required to preserve records of the changes it has reportedly made to its performance assurance plan.

Electronic copies of this filing have been made to the service list in this docket. In addition, we have provided copies to FairPoint's in-house counsel, Sarah Davis, and New Hampshire regulatory liaison, Ryan Taylor. Please also add Benjamin Thayer (bthayer@bayring.com) and Darren Winslow (dwinslow@bayring.com) to the service list.

A compact disk containing the Petition is also enclosed.

Respectively submitted,

A handwritten signature in cursive script, appearing to read "Darren Winslow".

CFO, BayRing Communications
