Re: Lamplighter Mobile Home Park
Docket #: DW 09-267

Dear Chairman Getz:

I write in response to Thomas F. Moughan's correspondence to you dated April 13, 2010. Our office would have responded sooner however, we were not copied on Mr. Moughan's correspondence and only learned of the correspondence after review this matter on your website.

I write at this time to object to Mr. Moughan's request to move the hearing to North Conway. As the immediate issue at hand is whether the Commission even has jurisdiction over this matter, there is no need to consider moving the hearing at this time.

Should you have any questions, please do not hesitate to contact my office.

Sincerely yours,

Anna Goulet Zimmerman
