RE: DT 10-009, Freedom Ring d/b/a BayRing Communications  
Petition to Construct and Maintain Utility Cable Over and Across the Concord  
and Montreal Railroad in the City of Concord, NH  
Extension of Time to Publish

Dear Ms. Brownell:

On August 17, 2010, you filed with the Commission in the above-captioned proceeding a request which explained that BayRing was unable to meet the publication deadline set in Order No. 25,134 (August 5, 2010). Consequently, BayRing requested a one-day extension of time to publish the Order Nisi.

The commission has determined that the extension will not unduly delay the proceeding or prejudice any party. Accordingly, the request is approved.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
