**State of New Hampshire  
Public Utilities Commission**

**Docket No. DT 10-025  
FairPoint Communications, Inc., et al.**

**Respondent:** Michael Skrivan  
**Title:** Vice President, Regulatory  
Affairs

**REQUEST:** NHPUC Staff  
Set 1

**DATED:** March 17, 2010

**ITEM: STAFF-44** Reference New Hampshire regulatory settlement section 1.6: Please list all the pending dockets related to FP that the Parties recommend be continued. What is meant by the word "continued?" If the Commission denies the recommendation, what effect does this have on the validity or effectiveness of the regulatory settlement?

**REPLY:** The pending dockets are:

- DT 09-039
- DT 09-007
- DT 07-011 (excluding FairPoint's routine compliance filings)
- DT 06-067
- DT 00-223 (currently stayed)
- DT 00-054 (currently stayed)

FairPoint interprets the word "continued" to mean that any procedural schedule in these dockets will be stayed and the Commission will take no action to proceed further with respect to the dockets subject to the limitations set forth in Section 1.6 of the Regulatory Settlement. FairPoint cannot address at this time the effect of a denial of the request pending a review of any ruling thereon and further consultations with the Staff Advocates.
