Re: DE 10-042, *Florida Power & Light Company Joint Application for Approval
of Transfer of Assets to New Hampshire Transmission, LLC*

Dear Ms. Howland:

The purpose of this letter is to inform the New Hampshire Public Utilities Commission that on May 13, 2010 the Federal Energy Regulatory Commission issued an Order Authorizing Disposition of Jurisdictional Facilities pursuant to section 203 (a)(1) of the Federal Power Act approving the transfer by Florida Power & Light Company to New Hampshire Transmission, LLC of FPL's share in the Seabrook Transmission Substation. A copy of this Order is enclosed. In the Joint Application filed with the New Hampshire Public Utilities Commission in the above-captioned docket, the parties to the Application stated that they intended to file the section 203 application with FERC and committed that they would notify the Commission of the outcome of the FERC proceeding.

Thank you for your attention to this matter. Please let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Douglas L. Patch'.
