Re: Registration Application of Consumer Energy Solutions, Inc. for Gas Aggregator License

Dear Ms. Howland:

Please find enclosed the following on behalf of Consumer Energy Solutions, Inc., ("CES") for submittal to the State of New Hampshire Public Utilities Commission ("NHPUC"):

- Registration Application for Gas Aggregator
- Compact Disc with the above-referenced application

CES received its original approval from the NHPUC on June 28, 2006, to provide gas aggregation service in New Hampshire (see DM 06-081). CES also received approval of its application to renew its registration from the NHPUC on June 12, 2008 (see DM 08-075). The attached Registration Application for Gas Aggregator is intended as a request for renewal of those approvals.

Please contact me at your convenience if you have any questions regarding the attached documents or if you require additional information from CES.

Sincerely,

A handwritten signature in dark ink, appearing to read "Michael J. Koehler".
