SUBJECT: PWS: DEER RUN ID: 0342050  
 CAMPTON  
 FAILURE TO OBTAIN A PERMIT TO OPERATE

Dear Owner:

Pursuant to NH Admin. Rule Env-Ws 303.03, the owner of a community water system is required to obtain a permit to operate from the NH Department of Environmental Services (DES) for each fiscal year. The current permit was due for renewal by July 1, 2009 for state fiscal year 2010 (valid from July 1, 2009 to June 30, 2010). A permit to operate is obtained by submitting to DES a completed permit application and payment of the permit fee. The permit fee for a community water system is \$10.00 per household service connection or household equivalent, to a maximum of \$300.00.

DES records indicate that the permit application and fee have not been submitted for your water system, thus placing your water system in violation of Env-Ws 303.03.

*As soon as possible, but no later than 14 days from the date of this Notice of Violation, please complete and submit to DES the enclosed permit to operate application and pay the permit fee of \$ 300 .00.*

Failure to comply with this Notice of Violation will result in the issuance of a Letter of Deficiency or other enforcement action, which will be posted on the DES website and remain posted for a period of 5 years after compliance is achieved.

Submit this application with a check payable to the 'Treasurer, State of New Hampshire' and return to:

**NOTICE OF VIOLATION**

SUBJECT: PWS: WEST POINT ID: 1612040  
MOULTONBOROUGH  
FAILURE TO OBTAIN A PERMIT TO OPERATE

Dear Owner:

Pursuant to NH Admin. Rule Env-Ws 303.03, the owner of a community water system is required to obtain a permit to operate from the NH Department of Environmental Services (DES) for each fiscal year. The current permit was due for renewal by July 1, 2009 for state fiscal year 2010 (valid from July 1, 2009 to June 30, 2010). A permit to operate is obtained by submitting to DES a completed permit application and payment of the permit fee. The permit fee for a community water system is \$10.00 per household service connection or household equivalent, to a maximum of \$300.00.

DES records indicate that the permit application and fee have not been submitted for your water system, thus placing your water system in violation of Env-Ws 303.03.

*As soon as possible, but no later than 14 days from the date of this Notice of Violation, please complete and submit to DES the enclosed permit to operate application and pay the permit fee of \$ 300 .00.*

Failure to comply with this Notice of Violation will result in the issuance of a Letter of Deficiency or other enforcement action, which will be posted on the DES website and remain posted for a period of 5 years after compliance is achieved.

Submit this application with a check payable to the 'Treasurer, State of New Hampshire' and return to:
