**Re: DW 10-152; Pennichuck East Utility, Inc.  
Revisions to Fire Protection Tariff**

Dear Ms. Howland:

I am writing regarding the above-captioned docket and the recent Verified Petition of Pennichuck East Utility, Inc. for approval of Revisions to Fire Protection Tariff. The Company is requesting to withdraw the original Verified Petition filed with the Commission and seeks to replace it with the enclosed Revised Verified Petition (along with six copies). The original Verified Petition contained an inadvertent error regarding the amount of hydrant charges to be assessed to the Town of Raymond. The Revised Petition corrects that error. Because the order of notice has not been issued, the Company does not believe that the withdrawal of the original Verified Petition will result in any prejudice to any potential party to the docket.

Thank you for your assistance with this matter. Please do not hesitate to call if you have any questions.

Very truly yours,

  
Sarah B. Knowlton
