Re: DE 10-232 Public Service Company of New Hampshire – Petition for License to Construct and Maintain a Fiber Optic Line Cable Over and Across the Public Waters of Glen Lake in the Town of Goffstown, New Hampshire

Dear Ms. Howland:

PSNH filed its original Petition, with attachments, in the above docket on September 3, 2010. As a result of the subsequent review of PSNH's filing by the Commission's engineering consultant, PSNH has found it necessary to make a number of technical changes and corrections to its original filing. Given the number and nature of such technical revisions, PSNH has determined that it is most expedient to proceed in this docket by filing a revised Petition with the necessary revised attachments at this time. Accordingly, enclosed for filing with the Commission herein please find an original and six copies of a Revised Petition for License to Construct and Maintain a Fiber Optic Line Cable Over and Across the Public Waters of Glen Lake in the Town of Goffstown, New Hampshire, with attached Revised Appendix A, Revised Exhibits 1 and 2, and Revised FIGURES 1, 1A and 2. Please substitute the enclosed revised filing for the original Petition with all attachments filed on September 3, in its entirety. We apologize in advance for any inconvenience caused in this matter.

Should there be any technical questions pertaining to this filing, they may be directed to PSNH Project Siting & Permitting Specialist Laura V. Games, who may be reached at 634-2906.

Thank you for your attention to this matter.

Very truly yours,

Christopher J. Allwarden
