## Inter-Department Communication

**DATE:** November 3, 2010

**AT (OFFICE):** NHPUC

**FROM:** Jennifer Ducharme, Utility Analyst *JD*

**SUBJECT:** DT 10-276 FairPoint Communications - NNE  
Special Contract with Intel Corporation for ISDN-PRI Service

**TO:** Debra Howland, Executive Director  
Kate Bailey, Director, Telecommunications Division

On October 14, 2010, Northern New England Telephone Operations LLC d/b/a FairPoint Communications - NNE (FairPoint) filed a special contract between FairPoint and Intel Corporation, Inc. Under the contract, FairPoint will provide Intel Corporation with ISDN-PRI service, including Port, Local Distribution Channel, Caller ID with Name, and Direct Inward Dialing for a period of 36 months.

During the first 12 months of the contract, Intel Corporation is allowed, at any time, to order additional services. In support of the filing, FairPoint submitted records and information, including contract terms and conditions, which are subject to confidential treatment pursuant to RSA 378:43.

Staff has reviewed the cost study data submitted by FairPoint and confirmed that the contract rates exceed the price floor requirements as defined in Order Nos. 23,357 and 23,493 (Docket No. DT 99-018). Based on its analysis, Staff recommends that the special contract be allowed to go into effect pursuant to RSA 378:18-b, II(a).
