RE: Request for Waiver of NeuStar's Denial of FairPoint's Request for Numbering Resources

Dear Ms. Howland:

Enclosed is a Letter requesting a waiver of NeuStar's denial of a Northern New England Telephone Operations LLC d/b/a FairPoint Communications - NNE ("FairPoint") request for numbering resources to serve a customer's numbering requirements. In addition, a Motion for Confidential Treatment is also attached because the Letter requesting the waiver and the exhibits supplementing the Letter contain information which FairPoint considers to be confidential and are so marked.

Since our customer has expressed the need to begin use of the numbers requested in December, FairPoint respectfully seeks expedited consideration of this request.

Thank you for your assistance in this matter. If you have any questions on this matter, please contact me at 603-656-8102 or by e mail at Ryan.Taylor@fairpoint.com.

Sincerely,

Ryan P. Taylor
