**Re: DE 11-016: Granite State Electric Company d/b/a National Grid
Default Service Rates**

Dear Ms. Howland:

I enclose an original and six copies of Granite State Electric Company's d/b/a National Grid Motion for Protective Order and Confidential Treatment (the "Motion"), together with certain confidential materials in a separately sealed envelope.

Please note that the enclosed confidential materials include confidential versions of the Company's bid evaluation and Transaction Confirmations, attached as Schedules MMJ-2, MMJ-4 and MMJ-5 to Ms. Janzen's testimony. The Motion does not address or include a request for protective treatment of these materials. Instead, the Company is submitting the confidential information in its bid evaluation and Transaction Confirmations pursuant to Interim Rule Puc 201.06(a)(29), (b) and (c), which provides confidential and protective treatment for such information without further action by the Commission.

Thank you for your assistance with this matter. Please do not hesitate to call if you have any questions.

Very truly yours,

Jinjue Pak
