Dear Ms. Howland:

In accordance with the Agreement Regarding Process for Release of Escrow Funds dated July 20, 2012 ("Escrow Release Agreement") among National Grid USA ("National Grid"), Granite State Electric Company ("GSEC"), EnergyNorth Natural Gas, Inc. ("ENGI"), Liberty Energy Utilities Co. ("Liberty Energy"), Liberty Energy Utilities (New Hampshire) Corp., and the staff of the New Hampshire Public Utilities Commission ("Staff"), enclosed are executed TSA Transfer Certifications for ENGI and GSEC in the form set forth as Schedule 1 to the Escrow Release Agreement covering the period July 1 through September 30, 2013. The TSA Transfer Certifications certify that the Transition Services identified on each Certification have been completed and transferred to ENGI and GSEC, respectively, in accordance with the terms of the relevant Transition Service Agreements. Release Certification for ENGI and GSEC. Pursuant to the Escrow Release Agreement, National Grid requests that the Commission's General Counsel execute the Pool A Release Certification and the Disbursement Request and return the originals to me to authorize release of \$250,800 of the Pool A Escrow Funds. Please note that the Disbursement Request form is a confidential document, as determined by the Commission in its Order No. 25,400, and therefore is being provided in a separate envelope. A redacted form of the Disbursement Request form is also enclosed and is the only form of that document that is being provided to the individuals on the service list other than the Consumer Advocate. Individuals requiring a copy of the unredacted form should contact me directly.

Please let me know if the Staff has any questions regarding the foregoing request or documentation.

Very truly yours,
