## IXC TELECOMMUNICATIONS SERVICES RATE SCHEDULE

**1.0 DEFINITIONS**

The following terms when used in this rate schedule shall have the meaning specified below:

Commission-The term "Commission" refers to the New Hampshire Public Utility Commission.

Common Carrier- A company or entity providing telecommunications services to the public.

Company- The term "Company" means Pac-West Telecomm, Inc.

Customer- The term "Customer" denotes any person, partnership, association, joint stock company, trust, corporation, or governmental entity or any other entity using the Company's Service, whether previously authorized to do so by the Company or not, and irrespective of whether such entity is aware that the Company is the provider of such Service. Customers are responsible for payment of charges as specified in this rate schedule, and for compliance with this rate schedule.

End User - means any customer of telecommunications service that is not a carrier except that a carrier other than a telephone company shall be deemed to be an "end user" when such carrier uses a telecommunications service for administrative purposes and a person or entity that offers telecommunications services exclusively as a reseller shall be deemed to be an "end user" if all resale transmissions offered by such reseller originate on the premises of such reseller.

FCC-The term "FCC" refers to the Federal Communications Commission.

Local Exchange Carrier ("LEC")- The term "Local Exchange Carrier" denotes any telephone company that provides local telephone service to End Users within a defined exchange.

Other Common Carrier- The term "Other Common Carrier" denotes a Common Carrier, other than the Company, providing domestic communications service to the public, including, without limitation, Local Exchange Carriers.

Points of Presence- The term "Points of Presence" denotes the sites where the Company provides a network interface with facilities provided by Other Common Carrier, Local Exchange Carriers or Customers for access to the Company's network.

Service- Telecommunications service provided to a Customer by the Company pursuant to this rate schedule.

Telecommunications-The transmission, between or among points specified by the user, of information of the user's choosing, without change in the form or content of the information as sent and received.

## IXC TELECOMMUNICATIONS SERVICES RATE SCHEDULE

**2.0 DESCRIPTION OF SERVICES**

- 2.1 Trial Services - The Company may offer new services, not otherwise tarified, from time to time on a trial basis subject to Commission approval. Such trials are limited to a maximum of six months at which time the trial offering must be either withdrawn or made available on permanent basis.
- 2.2 Promotional Offerings- The Company will provide notification to the Commission of its intent to offer promotional services and rates. The Company may offer existing services on a promotional basis that provides special rates, terms, or conditions of service. Promotional offerings will have a duration and effectiveness of no longer than six (6) months. Promotional offerings will begin one at least one (1) day notice to the Commission.
- 2.3 Individual Case Basis ("ICB") Offerings - The rate schedule may not specify the price of a service in the rate schedule as "ICB. The Company may or may not have an equivalent service in it's the rate schedule on file with the Commission, and the quoted ICB rates may be different than the scheduled rates. An ICB must be provided under contract to a customer and the contract filed (can be under seal) with the Commission. All customers have non-discriminatory access to requesting the service under an ICB rate.
- 2.4 Customized Pricing Arrangements ("CPAs") Offerings - The Company may offer CPAs to eligible customers. Each CPA is customized to meet the specific needs of a customer. Rates quoted are different from the scheduled rates. CPA rates must be provided under contract to a customer and the contract filed (can be under seal) with the Commission.

## IXC TELECOMMUNICATIONS SERVICES RATE SCHEDULE

**3.0 CARRIER ACCESS SERVICES****3.1 Applicability**

Carrier Access Services are applicable to the origination or termination of interstate and international calls from or to the Company's End User subscribers over local exchange circuits furnished by the Company and to interstate calls completed by the Company. Use of the Company's service constitutes agreement to be bound by the provisions of this rate schedule and to pay all charges assessed hereunder.

**3.2 Switched Access Service**

- 3.2.1 Switched Access Service provides for all or any part of the transmission and switching of calls originating or terminating from the End User designated premises to the switch(es) and beyond to where the End User traffic is transported by Pac-West when the End User is served by Pac-West.

Switched Access Service Rate = .0285per minute

- 3.2.2 Local Transport Service provides for all or any part of the transmission and switching of calls originating or terminating from the End User designated premises to the switch(es) and beyond to where the End User traffic is transported by Pac-West when the End User is served by a Carrier other than Pac-West.

Local Transport Service rate = .02per minute

- 3.2.3 For all originating toll free calls where Pac-West performs the toll free database query, a per query charge will apply in addition to the originating Switched Access or originating Local Transport Service per minute charge.

Toll Free Query rate = .0042 per query

- 3.2.4 Pac-West will bill according to OBF and ATIS industry standard guidelines. Where call records are deemed insufficient or inadequate to determine jurisdiction, Pac-West will utilize the jip to determine jurisdiction.

**3.0 CARRIER ACCESS SERVICES (Continued)**

## 3.3 IXC and Transit Termination

3.3.1 Arrangements for interconnection by incumbent local exchange carriers and competitive local carriers with the Company's facilities for the completion of local and transit traffic will be negotiated on a case by case basis.

3.3.2 The Company will complete local and transit calls, for incumbent local exchange carriers and competitive local carriers with which the Company has direct or indirect interconnections. The terms, conditions, and compensation methods for handling such calls will be negotiated on a case by case basis. In cases where no agreement is in place for completion of such calls, the rates provided in the Rate schedule, following, shall be charged to the originating carrier for calls terminated by the Company or for which the Company provides transit (tandem switching) functions.

## 3.3.3 Local Call Termination Rate =

Set Up (per call attempt)	\$ .005
MOU (Minute of Use)	\$ .0025

## 3.3.4 Transit Traffic Termination Rate =

Set Up (per call attempt)	\$ .0005
