AVAILABILITY

Subject to the Terms and Conditions of the Tariff of which it is a part, this rate is for energy and capacity in conjunction with the applicable Delivery Service Rate Schedule. It is available to Customers who are receiving Delivery Service under Primary General Delivery Service Rate GV, Large General Delivery Service Rate LG, and Backup Delivery Service Rate B. Service under this rate is mandatory for and only available to customers who received Supplier Service or Self-Supply Service for at least twelve consecutive months. Once a Customer terminates Supplier Service or Self-Supply Service following at least twelve consecutive months of receipt of such service, any energy and capacity service taken from the Company during the next twenty-four months must be taken under this rate.

Notwithstanding any other Tariff provision or Special Contract terms, no discount shall be applied to this rate.

RENEWABLE SERVICE OPTIONS

The Company will purchase and retire a sufficient number of new renewable generation resource certificates ("Certificate") to match the kilowatt-hour usage associated with the Customers enrolled in a renewable service option. A Certificate represents one thousand kilowatt-hours of electricity generated by a generation resource physically located in New England that is certified by the Commission as a Class I or Class II generation resource under the New Hampshire Electric Renewable Portfolio Standard or is capable of earning certification under the New Hampshire Renewable Portfolio Standard. The Company is not required to purchase Certificates simultaneously with Customer usage. Certificates supporting the renewable service options under this rate schedule will be acquired by the Company such that up to 30% of one calendar year's Certificate requirements could be satisfied with Certificates produced in either of the previous two calendar years or during the first quarter of the subsequent calendar year.
