**Re: DE 11-216 Public Service Company of New Hampshire Alternative
Default Energy Service Rate Settlement Report**

Dear Ms. Howland:

In its Order No. 25,488 – Order Conditionally Approving Alternative Default Energy Service Rate Pilot Program in Docket DE 11-216, the Commission directed PSNH to file a report on or before the 25th of each month depicting the number of kilowatt-hours delivered under Rate ADE, and the difference between the revenue received and the marginal cost of serving the load under Rate ADE for the most recently completed month and for the annual period to date. This report is being filed electronically with one paper copy being sent to the Commission.

We would be pleased to respond to any questions the Commission may have on this report.

Sincerely,

A handwritten signature in black ink, appearing to read "Heather M. Tebbetts".
