**Re: DE 11-216; Public Service Company of New Hampshire  
Alternative Default Energy Service Rate ADE Forecast Marginal Costs**

Dear Ms. Howland:

On April 8, 2013 the Commission issued Order No. 25,488 approving a settlement agreement between Commission Staff, the Office of Consumer Advocate and Public Service Company of New Hampshire ("PSNH") regarding PSNH's proposal to implement an alternative default energy service rate, Rate ADE. Rate ADE became effective on July 1, 2013.

Under paragraph 2.3.3 of the settlement, PSNH agreed to monitor its forecasted marginal costs on a monthly basis and compare those forecasts to the marginal costs used to calculate the price for Rate ADE, and provide such reports to the Commission by the 15<sup>th</sup> day of the month.

This report is being filed electronically with one paper copy being sent to the Commission.

We would be pleased to respond to any questions the Commission may have on this report.

Very truly yours,

A handwritten signature in black ink, appearing to read "Chris Goulding".
