**Re: DE 11-216; Public Service Company of New Hampshire d/b/a Eversource Energy  
Alternative Default Energy Service Rate ADE  
Monthly Rate Calculation Compliance Filing**

Dear Ms. Howland:

On April 8, 2013 the Commission issued Order No. 25,488 approving a settlement agreement between Commission Staff, the Office of Consumer Advocate and Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) regarding Eversource's proposal to implement an alternative default energy service rate, Rate ADE. Rate ADE became effective on July 1, 2013. On December 12, 2014, the Commission issued Order No. 25,739 approving amendments to the administration of Rate ADE and making Rate ADE a monthly variable rate.

On March 31, 2016, Eversource filed a Request to Extend Rate ADE. The original Pilot program was a 36 month program that was to terminate on June 30, 2016. Pending approval of the extension of the ADE pilot program, Eversource includes with this submission the rate for July 2016 under Rate ADE and the relevant tariff page reflecting the change in the rate. Additionally, included with this submission are indicative rates for Rate ADE for the remainder of calendar year 2016. The indicative rates are intended to be estimates of the rates in the months indicated, while the final price for each month will be established in a compliance filing made on or about the 15<sup>th</sup> of the prior month.

Additionally, following Order No. 25,739, Eversource no longer calculates Rate ADE on an annual basis. Therefore, this monthly rate setting filing shall take the place of the filing required by Order No. 25,488 requiring Eversource to monitor its forecasted marginal costs on a monthly basis and compare those forecasts to the prices used to calculate the annual rate for Rate ADE, and to provide reports of the forecasts to the Commission on the 15<sup>th</sup> day of each month.

This submission is being filed electronically with one paper copy being sent to the Commission.

We would be pleased to respond to any questions the Commission may have on this submission.

Very truly yours,

Christopher J. Goulding  
Manager, NH Revenue Requirements
