**Re: DE 11-216; Public Service Company of New Hampshire d/b/a Eversource Energy
Alternative Default Energy Service Rate ADE Monthly Rate Calculation Compliance Filing**

Dear Ms. Howland:

Eversource notes that the Commission issued Order No. 26,092 in Docket No. DE 17-113 on December 29, 2017. Following that order, and the sale of Eversource's thermal generating assets on January 10, 2018, Eversource is transitioning to a competitive solicitation for default service effective April 1, 2018. This transition date requires discontinuing Rate ADE effective March 1, 2018 and moving customers in the manner described in Docket No. DE 17-113. With the elimination of Rate ADE effective March 1, 2018, Eversource will cease providing information on Rate ADE.

This submission is being filed electronically with one paper copy being sent to the Commission.

We would be pleased to respond to any questions the Commission may have on this submission.

Very truly yours,

Christopher J. Goulding
