SUBJECT: DM 11-273 Notice of The Legacy Energy Group, LLC's intent to  
renew its registration as a provider of electric aggregation service;  
Staff recommendation

TO: Debra A. Howland  
Executive Director

On December 14, 2011, The Legacy Energy Group, LLC (Legacy) notified the Commission of its intent to renew its registration as a provider of electric aggregation service. On February 3, 2012 Legacy filed for a waiver pursuant to Puc 2003.5 (a) which requires an application for renewal to be filed at least 60 days prior to the expiration of current registration. Legacy cited administrative mistakes for the delay for filing the renewal of registration which expired on November 30, 2011. Considering the time difference between application due date and actual application date is considerably short, Staff recommends that the Commission grant the waiver of Puc 2003.02(a) for this renewal only.

The application has been reviewed and the Company has complied with the requirements of Puc 2006.02. Staff recommends that Legacy's application to renew its registration as a provider of electric aggregation service in New Hampshire be approved.
