Dear Ms. Howland:

Our company is licensed or certified as an electricity power aggregator or broker with the State of New Hampshire. This is to notify you of a change of ownership with our company, Utilities Analyses, Inc. (the "Company").

Effective on December 4, 2013 Procurian Inc., the ultimate parent company of the Company, merged with and into Peregrine Merger Sub, Inc., a wholly owned subsidiary of Accenture Sub Inc., with Procurian Inc. continuing as the surviving corporation.

This is a change of ownership only and does not affect our technical or managerial expertise in providing electric broker services to our customers in the State of New Hampshire.

Should you have any questions, please do not hesitate to contact me at 312-693-1549.

Sincerely,

Ronald Roberts
