Re: DM 05-172, Generic Investigation into Utility Poles
Rescheduling of Technical Session

To the Parties:

On December 23, 2005, Verizon filed a request in the above referenced proceeding to continue the January 6, 2006 technical session until January 17, 2006. Verizon states in its request that because of late receipt of discovery responses and intervening holidays, responses may not be reviewed until early January. Verizon also claims that the majority of the parties and Staff has either concurred or do not object to the continuance.

The Commission has determined that the request is reasonable and will not unduly delay the proceeding. Accordingly, the technical session has been rescheduled to Tuesday, January 17, 2006 at 10:00 a.m.

Very truly yours,

A handwritten signature in black ink, appearing to read "Debra A. Howland".
