Re: DT 07-011, Verizon New Hampshire
Transfer of Assets to FairPoint Communications
Pre-marking of Exhibits

To the Parties:

Consistent with the discussion I convened last week about hearing logistics, this message concerns the pre-marking of your witnesses' pre-filed testimony and certain other materials.

To assure that the proper version of these exhibits becomes part of the hearing record, and in particular to assure that these exhibits are properly classified from the standpoint of confidentiality, please pre-mark and then submit one paper copy and one electronic copy of each witness's testimony COB Wednesday, October 17, 2007 to the attention of Jody Carmody.

An example of the exhibit marking configuration appears below:

Verizon Exh. 4P (Verizon Exhibit 4, public version)
Verizon Exh. 4C (Verizon Exhibit 4, confidential version)
Verizon Exh. 4HC (Verizon Exhibit 4, highly confidential version)

You do not need to mark as separate exhibits any attachments to a witness's testimony.

We also ask that you similarly pre-mark any settlement agreements and/or MOUs (memoranda of understanding) into which you have entered with respect to matters in this case.

I apologize for any duplication of effort this requires but such measures are necessary given our limited administrative resources and the need to assure that accurate and properly classified documents are admitted into evidence.

Cordially,

A handwritten signature in cursive script that reads "Donald M. Kreis".
