Re: DT 07-011 Verizon New England Inc., Bell Atlantic Communications Inc.,  
NYNEX Long Distance Co. Verizon Select Services Inc., and FairPoint  
Communications, Inc.; Master Exhibit List

Dear Ms. Howland:

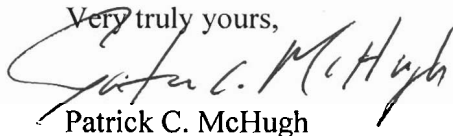

Enclosed are seven (7) copies of the final version of the Master Exhibit List of all parties that submitted exhibits during the evidentiary hearings in Docket DT 07-011 held during the weeks of October 22 and October 29, 2007. As Chairman Thomas Getz requested, I asked counsel for the parties to advise of any objections to any of the exhibits listed therein. I also advised that, absent any objections, I would submit the final Master Exhibit List to the Commission with the request that the Commission (i) strike the identification status of all exhibits and (ii) formally enter all exhibits into evidence.

Having made the request noted above and receiving no objections, I respectfully request that (i) the Commission strike the identification status of all exhibits and (ii) the exhibits be moved into evidence.

I have also provided the Master Exhibit List on a disk enclosed herewith.

Please do not hesitate to contact me with any questions or concerns.

Very truly yours,

  
Patrick C. McHugh
