Re: DT 07-011 Verizon New England Inc., Bell Atlantic Communications Inc.,  
NYNEX Long Distance Co. Verizon Select Services Inc., and FairPoint  
Communications, Inc.

Dear Ms. Howland:

On behalf of FairPoint Communications, Inc. ("FairPoint"), enclosed are seven (7) compact disks containing FairPoint's disaster recovery plan and a cover memorandum which explains the overall nature of the plan and how to navigate through the plan. The disks are marked as FairPoint's Exhibit 58C and submit pursuant to the oral data request made by Commissioner Graham Morrison during the hearings held on October 29, 2007, in Docket DT 07-011 (please refer to the hearing transcripts, Day VI at page 140). The disaster recovery plan and the related cover memorandum are produced herewith under seal pursuant to RSA 378:43 and the Protective Agreement and orders from the Public Utilities Commission in this docket.

Also enclosed is FairPoint's updated response to Commissioner Morrison's oral data request. With these submissions, FairPoint believes it has responded in full to all oral data requests made during the hearings held during the weeks of October 22 and 29, 2007.

Please do not hesitate to contact me with any questions.

Very truly yours,

A handwritten signature in cursive script that reads "Patrick C. McHugh".
