Unite Packages are available to residential customers for a limited time and subject to change without notification. Eligibility for packages require services to be invoiced on a single bill. Where required by law, a Letter of Authorization will need to be completed. Other price plans available. All savings are estimated and may vary depending on package selected, prior long distance usage and local line rate. The bundled price does not include other applicable charges such as: equipment, taxes, fees, FCC Line Charge, Universal Service Fee, other surcharges. Not all services available in all areas. Customers must be authorized to make account changes to all accounts. Customer account must be in good standing to be eligible for bundled offer. Customers with a security deposit, credit limit, non-basic block or toll block are not eligible. Additional terms and conditions may apply. Long Distance: Long distance minutes are for voice service only and apply to domestic United States (excluding Alaska and Hawaii) and Canada. Contact your Customer Service Representative for international long distance rates. The bundled price does not include long distance charges beyond any allotted minutes. Additional minutes of long distance use beyond the allotted minutes of your plan are billed at 10 cents per minute. If you no longer use Unite as your long distance carrier, the bundled offering will no longer apply, and local service and optional features will be billed at normal tariffed rates. Not all services available on all lines. High Speed Internet Service: Free modem to use as long as you keep the service. Any materials, labor or equipment purchased from Unite will be included on the Customer's first invoice. Taxes and additional charges may apply. Upon cancellation of service, customer will be responsible for the return of equipment within 30 days or for the payment of \$90.00 for the modem and \$10.00 for the power cord. Cable TV Service: Upon cancellation of service, customer will be responsible for the return of equipment within 30 days or for the payment of a minimum \$300.00 equipment charge. Additional terms and conditions may apply. This offer cannot be combined with other discounts or promotions unless otherwise indicated.

what are bundles and why do I need them?

Unite bundles are the smart way to fill your home with all of the communications services you need and use every day. Begin with unlimited local calling including caller ID and call waiting; add your choice of long distance and voice mail; combine high speed Internet service that's online all the time and finish with your choice of television services, including local stations plus sports, news and movie channels. Create a bundle that fits perfectly into your family's lifestyle.

What does this mean to you?

Simplicity. Convenience. Savings. With a bundle from Unite, you'll discover the ease of creating a service that meets your needs. Plus, the more you bundle, the more you save. You'll have everything you need under one roof.

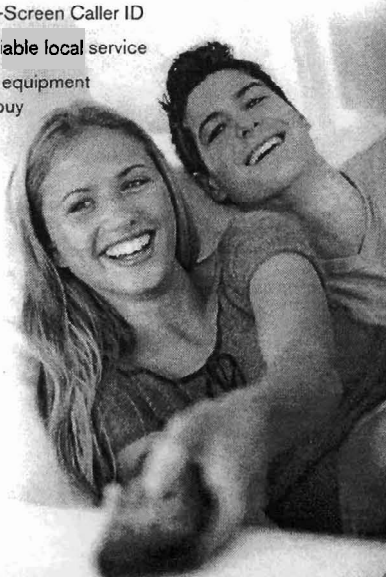

Stay connected and **save** when you combine services!

entertainment has evolved

Join the evolution! It's time for a change.

Your TV has just evolved into something more: Digital TV from FairPoint. It's all that you expect from an entertainment service and more: movies on demand, a huge selection of channels for movies, sports, music, kid's shows and local channels as well as movies and events. It's a true alternative to cable and satellite television. Digital TV is also the newest technology available, and surprisingly, it's delivered through your standard telephone line.

What's it all about?

- > It's 100% Digital Entertainment - exceptional audio and visual clarity at an affordable price, plus access to all the most popular channels and hundreds of hours of movies and events anytime you want - at the touch of a button.
- > Get the channels that matter - all of your favorite programming, including local, news, weather, sports, movies, children's and much, much more. You can get even more by subscribing to HBO*, Showtime*, or STARZ!.

- > On-screen Program Guide - you'll always know what's on and when - with your digital remote and easy-to-use on-screen program guide, you simply browse for shows by title, time or theme.
- > On-screen Caller ID - what do you get with dTV and your normal Caller ID service from FairPoint? Live Caller ID on your television! You decide if you want to answer the call or continue to watch your program.
- > Movies On Demand - why drive to the video store? Get instant access to an entire library of hit movies! You choose the exact time you want to watch and then pause, rewind, and fast-forward them right from your remote.
- > Parental Controls - password-protect your family - control what how much and when they watch, even when you're not there!
- > Digital Music - dozens of digital-quality, crystal-clear music channels available 24 hours a day.
- > Online Access - add the world's most popular high speed Internet access: DSL.
- > Locally Provided - our employees are your neighbors.
- > Local Media - an up-to-date list of events in our community!

Life just got a whole lot easier.

all this in one neat little package

fullhouse
all under one roof.

SAVE up to
\$105*
per month!

fullhouse bundle is available to residential customers for a limited time and subject to change without notification. Eligible customers must sign up for, or already have Home Phone plan to participate in the **fullhouse** offer. Eligibility for **fullhouse** packages require services to be invoiced on a single bill. Where required by law, a Letter of Authorization will need to be completed. **Introductory pricing of \$84.95 per month for 3 months. After 3 months, rate increases to \$109.95 per month.** Other price plans available. All savings are estimated and may vary depending on package selected, prior long distance usage and local line rate. The bundled price does not include other applicable charges such as: equipment, taxes, fees, FCC Line Charge, Universal Service Fee, other surcharges. Not all services available in all areas. Customers must be authorized to make account changes to all accounts. Customer account must be in good standing to be eligible for bundled offer. Customers with a security deposit, credit limit, non-basic block or toll block are not eligible. Available only to residential customers in selected areas. Additional terms and conditions may apply.

Home Phone: Long distance minutes are for voice service only and apply to domestic United States (excluding Alaska and Hawaii) and Canada. Contact your Customer Service Representative for international long distance rates. The bundled price does not include any equipment charges, taxes, fees, other surcharges, or long distance charges beyond any allotted minutes. FCC Line Charge, Universal Service Fee, taxes and other charges apply. Additional minutes of long distance use beyond the allotted minutes of your plan are billed at 10 cents per minute. If you no longer use FairPoint Communications as your long distance carrier, the bundled offering will no longer apply, and local service and optional features will be billed at normal tariffed rates. Not all services available on all lines.

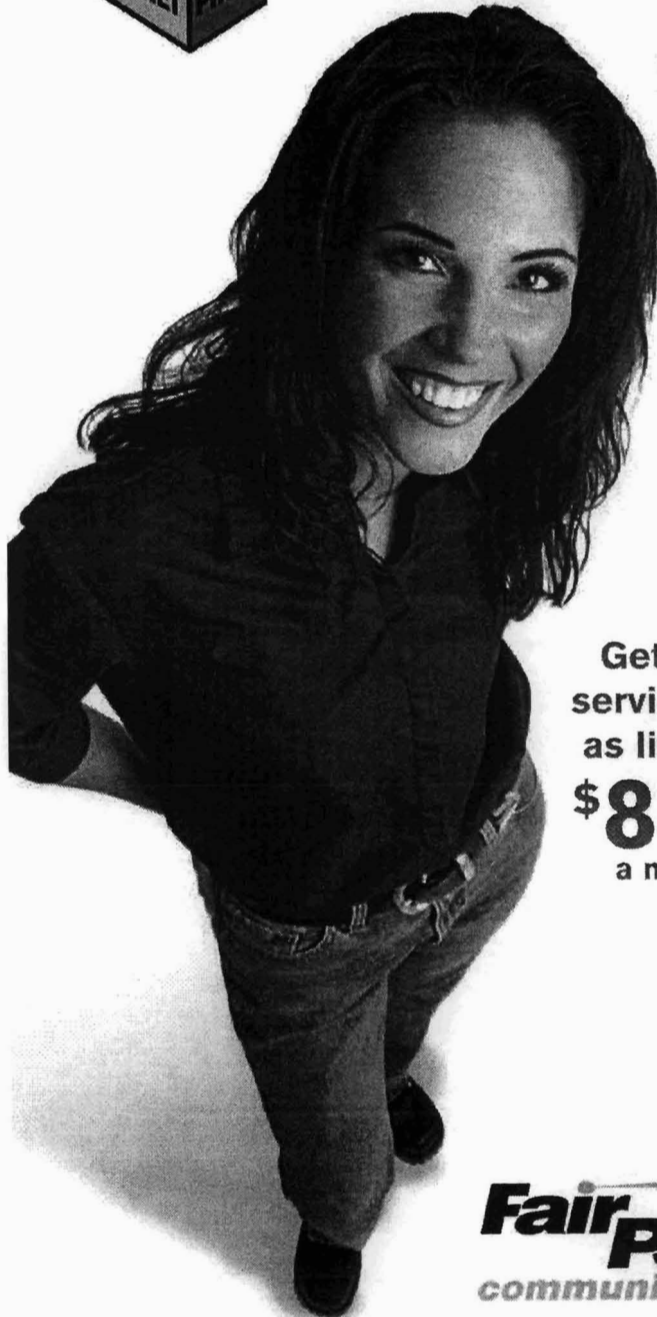

High Speed Internet Service: Subscription to standard package required. Free modem to use as long as you keep the service. Any materials, labor or equipment purchased from FairPoint Communications will be included on the Customer's first invoice. Upon cancellation of service, customer will be responsible for the return of equipment within 30 days or for the payment of \$90.00 for the modem and \$10.00 for the power cord.

Digital TV Service: Free installation (\$99.95 value). Offer requires Digital Choice TV package, no substitutions. Upon cancellation of service, customer will be responsible for the return of equipment within 5 days or a \$500.00 equipment charge will be applied to your account. Materials, labor or additional equipment purchased from the company will be included on the customer's bill. ©2007 FairPoint Communications.
