

**FairPoint Communications, Inc.
State of New Hampshire
Docket No. DT 07-011**

Respondent: Michael Haga
Title: Director of Billing and
Operations Support Services

REQUEST: New England Cable and Telecommunications Association, Inc. and
Comcast Phone of New Hampshire, LLC - Rebuttal

DATED: September 20, 2007

ITEM: NECTA/CPNH - 70R At page 24, Mr. Kurtze testifies that as both the Verizon Cutover Plan and FairPoint Task List evolve, additional levels of detail will be added. When will this additional level of detail be added and when will it be made available to the parties, and to the Commission or Commission Staff and its consultants?

REPLY: The level of detail is added on a continuous basis. FairPoint does not believe that providing this information will result in any improvements in the process nor provide any indication as to its readiness for cutover. FairPoint desires that the states accept the testing proposal outlined in testimony and presented during settlement discussions. The objective of the proposal is to permit an independent view as to whether FairPoint was ready for cutover.
