Attn: Executive Director and Secretary Howland

Dear Ms. Howland,

On July 9, 2012 an application was emailed to you and on July 10<sup>th</sup> the hard copy was delivered to your attention for the qualification of Bath Electric Power Company's Ammonoosuc River Dam Bath hydroelectric project as a New Hampshire Class IV RPS resource. It has come to my attention that you received a copy of the signature page for the application which had not been notarized. Accordingly, please find attached a notarized copy of the signature page for Bath Electric Power Company's NH Class IV RPS application. The originals have been sent you your attention via overnight mail.

Sincerely,

Bath Electric Power Company  
by Hydro Management Group, its agent  
as aggregator

Andrew Locke  
Vice President
