RE: DE 12-295, Petition for Review of Certain PSNH Charges to Competitive Suppliers  
Request for Commission Determination on Reconciliation of Temporary Rates

Dear Director Howland:

On July 31, 2014, the Commission issued Order No. 25,699 in the above-referenced docket and, among other things, approved an agreement to revise certain of Public Service Company of New Hampshire's ("PSNH") charges to competitive electric power suppliers operating in PSNH's service territory. The Commission also ordered PSNH to reconcile the newly approved permanent charges with the temporary charges previously approved. In this docket, and coincident with this submission, PSNH has provided the Commission with a description of the manner of the reconciliation and refund, as well as relevant supporting materials. PSNH is not, however, able to reconcile the amount relating to [REDACTED] suppliers. By this submission, PSNH intends to explain the reasons for its inability to complete the reconciliation, and requests that the Commission provide direction relative to these entities.

[REDACTED] PSNH has expended significant time and resources on this matter already and requests that the Commission determine how this refund should be addressed to avoid further such expenditures. PSNH, therefore, requests that the Commission determine how the refund to [REDACTED] should be administered in this case.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,
