Re: DE 13-018, Granite State Electric Company d/b/a Liberty Utilities
Default Service Rates for its Large and Medium Commercial and Industrial Customer
Group for the period beginning November 1, 2013 through January 31, 2014, and for
Residential and Small Commercial Customer Group for the period beginning
November 1, 2013 through April 30, 2014
Scheduling of Hearing

To the Parties:

On January 13, 2006, the New Hampshire Public Utilities Commission (Commission) issued Order No. 24,577 in Docket No. DE 05-126, which among other things, approved Granite State Electric Company's solicitation process for procuring default service supply for its Small Customer Group and its Large Customer Group.

On September 12, 2013, Granite State Electric Company d/b/a Liberty Utilities (Liberty) filed proposed Default Service rates for its Large and Medium Commercial and Industrial Customer Group for the period beginning November 1, 2013 through January 31, 2014, and for its Residential and Small Commercial Customer Group for the period beginning November 1, 2013 through April 30, 2014. In support of the proposed rates, Liberty filed the testimony and related schedules of John D. Warshaw.

The Commission will hold a hearing on Wednesday, September 18, 2013 at 10:00 a.m. at which time the Commission will hear the testimony of Liberty's witnesses and Commission Staff. This is consistent with Order No. 24,577 which states that GSEC will file the purchase power agreement and the accompanying rates for the Commission to review pursuant to RSA 363:17-a.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".

Debra A. Howland
Executive Director
